Since he is out until Monday, I wanted you to know, just in case he is busy at that time. Hate to schedule without him, but didn't have much of a choice.

Thanks for keeping me in the loop on this, Paige. I'll be out of the office on Monday, but can always call in if George is unavailable.

I can't send a Lotus Notes invite, because I transitioned to Outlook and no longer have email through Lotus notes. Everyone please mark your calendar for 2 PM on Monday in the REOC (8<sup>th</sup> floor) to discuss the Enforcement Plan for EXPLO. I was not at the meeting when this was discussed, but if Susan Webster has further details on Carl's request, she will forward them to the group.

See everyone on Monday at 2 PM.

Thanks

Let's try something else. Is anyone available on Monday afternoon? 2:00? We seem to have conflicts on Tuesday and Thursday. I confirmed that George is in the office on Monday, so hopefully that will work for him.

Tuesday the 12th is already booked for me. Thursday the 14th at 10:00 would work better.

I've included Evan Pearson and Guy Tidmore on these e-mail strings. Evan is the RCRA attorney on this case and needs to be involved. Please include him in future planning and correspondence. Guy is my supervisor and needs to know what is happening too.

Thanks,

chuck

Carl Edlund requested that we formalize an Enforcement Plan for EXPLO. Can we get together to discuss? Does Thursday work? 10 am or 2 PM?

Thanks.
